These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Notes:**Entitlement to attend and vote**

1. Only those members registered on the Company's register of members at:
 - 6:00 p.m. (London Time) on 27 June 2018; or,
 - if this annual general meeting is adjourned or postponed, at 6:00 p.m. (London Time) on the day two days prior to the adjourned or postponed meeting,

shall be entitled to attend and vote at the annual general meeting.

Appointment of proxies

2. A member is entitled to attend, speak and vote at the annual general meeting and is entitled to appoint one or more proxies to attend, speak and vote in his stead. A proxy need not be a member of the Company. You can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form. If you wish your proxy to speak on your behalf at the annual general meeting you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to them.
3. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, each different proxy appointment form must be received by Computershare at the appropriate office (Canada or U.K.) not less than 48 hours before the time appointed for the annual general meeting.
4. A vote withheld is not a vote in law which means that the vote will not be counted in the calculation of votes for or against the resolutions. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the annual general meeting.
5. A prepaid form of proxy is enclosed. To be valid any form of proxy and power of attorney or other authority under which it is signed or a notarially certified or office copy of such power of authority must be lodged with the Company's transfer agent, Computershare, so as to be received not less than 48 hours before the time appointed for the meeting or any adjourned meeting. The return of a form of proxy will not preclude a member from attending and voting at the annual general meeting in person should he subsequently decide to do so.
6. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the annual general meeting and any adjournment(s) thereof by utilising the procedures described in the CREST manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
7. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST manual. The message must be transmitted so as to be received by the issuer's agent Computershare not less than 48 hours before the time appointed for the annual general meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.
8. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST proxy instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.
9. The Company may treat as invalid a CREST proxy instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
10. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Changing proxy instructions

11. To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.

Where you have appointed a proxy using the hard-copy proxy form and would like to change the instructions using another hard-copy proxy form, please contact Computershare.

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Termination of proxy appointments

12. In order to revoke a proxy instruction you will need to inform the Company by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to Computershare. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the Company or an attorney for the Company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice. The revocation notice must be received by Computershare no later than 48 hours prior to the meeting.

If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid.

Appointment of a proxy does not preclude you from attending the annual general meeting and voting in person. If you have appointed a proxy and attend the annual general meeting in person, your proxy appointment will automatically be terminated.

Corporate representatives

13. A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.

Issued shares and total voting rights

14. As at 6:00 p.m. (London Time) on 25 May 2018, the Company's issued share capital comprised 33,260,561 ordinary shares of 0.6p each. Each ordinary share carries the right to one vote at an annual general meeting of the Company and, therefore, the total number of voting rights in the Company as at 6:00 p.m. (London Time) on 25 May 2018 is 33,260,561.

Communication

15. Except as provided above, members who have general queries about the annual general meeting should contact the Company's Secretary at Tethyan Resources plc, 27-28 Eastcastle Street, London, W1W 8DH or on +44(0) 1534 881885 (no other methods of communication will be accepted). You may not use any electronic address provided, either in this notice of annual general meeting or any related documents (including the proxy form) to communicate with the Company for any purposes other than those expressly stated.

MANAGEMENT INFORMATION CIRCULAR AS AT 25 MAY 2018

This Management Information Circular (“Information Circular”) is furnished in connection with the solicitation of proxies by management of Tethyan Resources plc for use at the annual general meeting (the “Meeting”) of shareholders of Tethyan Resources plc (“Shareholders”) to be held at 12:00 p.m. (London time) on 29 June 2018 and any adjournment or postponement thereof, for the purposes set forth in the attached Notice of Meeting. Except where otherwise indicated, the information contained herein is stated as of 25 May 2018.

In this Information Circular, references to the “Company” and “we” refer to Tethyan Resources plc. “**Ordinary Shares**” means the ordinary shares of 0.6p each in the capital of the Company. “**Registered Shareholders**” means Shareholders whose names appear on the records of the Company as the registered holders of Ordinary Shares. “**Non-Registered Shareholders**” means Shareholders who do not hold Ordinary Shares in their own name. “**Intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders. **Unless otherwise indicated, the presentation and functional currency herein are stated in British Pounds (£).**

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Ordinary Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Ordinary Shares on their behalf (objecting beneficial owners). As a result, objecting beneficial owners will not receive the Information Circular and associated meeting materials unless their Intermediary assumes the costs of delivery.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers of the Company or solicitors for the Company. **If you are a Registered Shareholder, you have the right to attend the Meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.**

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company’s transfer agent, in accordance with the instructions on the Proxy.

The registrar and transfer agent in the United Kingdom for the Ordinary Shares is Computershare Investor Services plc, with an address at The Pavilions, Bridgwater Road, Bristol BS13 8AE, England.

The registrar and transfer agent in Canada for the Ordinary Shares is Computershare Investor Services Inc., with an address at 510 Burrard Street – 3rd Floor, Vancouver, British Columbia V6C 3B9, Canada.

In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment or postponement thereof at which the proxy is to be used.

Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and
- (ii) delivered either to the registered office of the Company at any time up to and including 48 hours (excluding Saturdays, Sundays and holidays) before the commencement of the Meeting or any adjournment or postponement thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof,

or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must arrange for their respective Intermediaries to revoke the Proxy on their behalf. Please see the attached Notice of Meeting and below for instructions if you are not a Registered Shareholder.

Exercise of Discretion by Proxyholder

If you vote by proxy, the persons named in the Proxy will vote or withhold from voting the Ordinary Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Ordinary Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified;
- (ii) any amendment to or variation of any matter identified therein;
- (iii) any other matter that properly comes before the Meeting; and
- (iv) exercise of discretion of the Proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Ordinary Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the Meeting.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Ordinary Shares in their own name and whose holdings are held through the Company's Canadian share register. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Ordinary Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Ordinary Shares will not be registered in the Shareholder's name on the records of the Company. Such Ordinary Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In the United States, the vast majority of such Ordinary Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company (through Computershare). If you have declined to disclose your ownership information, you may receive a request for voting instructions from your Intermediary if they have assumed the cost of delivering the Information Circular and associated meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Computershare or Broadridge in order to ensure that your Ordinary Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent by Computershare or Broadridge will name the same persons as the Company's proxy to represent you at the Meeting. **Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Ordinary Shares registered in the name of your Intermediary, you, or a person designated by you (who need not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your Ordinary Shares in that capacity.** To exercise this right to attend the meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

If you receive a voting instruction form from Computershare or Broadridge, you cannot use it to vote Ordinary Shares directly at the Meeting. The voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Ordinary Shares voted.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors and as set out herein. For the purpose of this paragraph, "person" shall include each person: (a) who has been a director, senior officer or insider of the Company at any time since the commencement of the Company's last fiscal year; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a person included in subparagraphs (a) or (b).

RECORD DATE AND QUORUM

In accordance with U.K. Companies Act, the board of directors (the "**Board**") of the Company has fixed the record date for voting at the Meeting as 6:00 p.m. (London Time) on 27 June 2018 or if the Meeting is adjourned or postponed, at 6:00 p.m. (London Time) on the day two days prior to the adjourned or postponed meeting (the "**Voting Record Date**"). Shareholders of record as at the Voting Record Date are entitled to vote their Ordinary Shares at the Meeting. In accordance with Canadian securities laws, the Board has fixed the record date for notice of the Meeting as 6:00 p.m. (London Time) on 25 May 2018 (the "**Notice Record Date**"). Shareholders of record as at the Notice Record Date are entitled to receive notice of the Meeting.

Under the Company's Articles of Association, the quorum for the transaction of business at a meeting of Shareholders is two shareholders present in person or by proxy and entitled to vote.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

On the Notice Record Date there were 33,260,561 Ordinary Shares issued and outstanding, with each Ordinary Share carrying the right to one vote. Only Shareholders of record at the close of business on the Voting Record Date will be entitled to vote in person or by proxy at the Meeting or any adjournment or postponement thereof.

To the knowledge of the directors and executive officers of the Company, as of the date of this Information Circular, the Shareholders who beneficially own, or exercise control or direction, directly or indirectly, Ordinary Shares carrying 10% or more of the votes attached to Ordinary Shares are:

Name	Number of Ordinary Shares Owned, or Controlled or Directed, Directly or Indirectly ⁽¹⁾	Approximate Percentage of Total Outstanding Ordinary Shares
Southern Arc Minerals Inc.	8,383,068	25.2%

Note:

- (1) The above information was derived from the shareholder list maintained by the Company's registrar and transfer agent, and/or from insider and beneficial ownership reports available at www.sedi.com and www.sedar.com. Southern Arc Minerals Inc. holds a first right of refusal on any further fundraisings undertaken by the Company to enable Southern Arc Minerals Inc. to increase its holding to, and maintain its interest at 29.9% of the Company's issued share capital until near the end of November 2018.

Appointment of Auditor

Management is recommending that Shareholders vote to appoint KPMG LLP, Chartered Professional Accountants (“**KPMG**”) of PO Box 10426, 777 Dunsmuir Street, Vancouver, BC, V7Y 1K3, as the Company’s auditor and to authorize the directors to fix their remuneration. The Board resolved on April 9, 2018 to appoint KPMG as auditors for the Company in place of Hacker Young LLP, Chartered Accountants (“**Hacker Young**”).

There have been no reportable events between the Company and Hacker Young and no modified opinions by Hacker Young for the purposes of National Instrument 51-102 *Continuous Disclosure Obligations* (“**NI 51-102**”). A “reportable event” is defined in NI 51-102 as a disagreement, a consultation or an unresolved issue with the auditors. A copy of the reporting package required by NI 51-102 with respect to the resignation of Hacker Young and the appointment of KPMG as auditors for the Company, including the Notice of Change of Auditor, a letter from Hacker Young and a letter from KPMG are attached to this Information Circular as Schedule “B”.

Approval of Stock Option Plan

In accordance with Policy 4.4 (Incentive Stock Options) of the TSX Venture Exchange’s (the “**Exchange**”) Corporate Finance Manual, “rolling plans” must receive shareholder approval yearly. As such, the directors of the Company wish to approve the continuation of the Company’s rolling stock option plan (the “**Plan**”) reserving a maximum of 10% of the issued Ordinary Shares at the time of the stock option grant. The purpose of the Plan is to provide an incentive to employees (including executive directors, other than the Chairman of the Company) to acquire a proprietary interest in the Company, to continue their participation in the affairs of the Company and to increase their efforts on behalf of the Company.

The Plan complies with the current policies of the Exchange for Tier 2 issuers. Under the Plan, a maximum of 10% of the issued and outstanding Ordinary Shares are proposed to be reserved at any time for issuance on the exercise of stock options. As the number of Ordinary Shares reserved for issuance under the Plan increases with the issue of additional Ordinary Shares, the Plan is considered to be a “rolling” stock option plan.

Management is seeking shareholder approval for the Plan and the approval of the number of Ordinary Shares reserved for issuance under the Plan in accordance with and subject to the rules and policies of the Exchange.

Terms of the Stock Option Plan

A full copy of the Plan will be available at the Meeting for review by shareholders. Shareholders may also obtain copies of the Plan from the Company prior to the meeting on written request. The following summary of the Plan does not purport to be complete and is qualified in its entirety by reference to the Plan.

Number of Shares Reserved. The number of Ordinary Shares which may be issued pursuant to options granted under the Plan may not exceed 10% of the issued and outstanding Ordinary Shares from time to time at the date of granting of Options (including all Options granted by the Company under the Plan). Options which are cancelled or expire prior to exercise continue to be issuable under the Plan.

Limitations. Under the Plan, the aggregate number of options granted to any one person in a 12 month period must not exceed 5% of the issued and outstanding shares of the Company, calculated on the date the option is granted. The aggregate number of options granted to any one Consultant in a 12 month period must not exceed 2% of the issued and outstanding shares of the Company, calculated at the date the option is granted. The aggregate number of options granted to all persons retained to provide investor relations services to the Company (including Consultants and Employees or Directors whose role and duties primarily consist of providing investor relations services) must not exceed 2% of the issued and outstanding shares of the Company in any 12 month period, calculated at the date an option is granted to any such person.

Stock option plans and other incentive plans

See “Approval of Stock Option Plan” above for the material terms of the Company’s Plan. The Plan was previously approved by Shareholders at the annual general meeting held on June 26, 2017, and will be placed before the Meeting for shareholder approval.

Employment, consulting and management agreements

Except as disclosed herein, the Company does not have any agreement or arrangement under which compensation was provided during the most recently completed financial year or is payable in respect of services provided to the Company that were performed by a director or NEO.

The Company has engaged the services of J. Proust & Associates Inc. (“**JPA**”), a company controlled by John Proust, a director of both the Company and Southern Arc Minerals Inc., the Company’s 25.2% shareholder, to provide management, advisory, administrative and accounting services and the services of a CFO and Corporate Secretary to the Company pursuant to an agreement (the “**JPA Agreement**”). During the financial year ended December 31, 2017, the Company paid £78,076 to JPA which included £Nil for the services of Mr. Proust as Non-Executive Chairman of the Company, the services of the CFO of £26,025, the services of the Corporate Secretary of £15,615 as well as other administrative and accounting services of £36,436. As at December 31, 2017, £16,695 was owed to JPA.

Oversight and description of director and named executive officer compensation

Other than disclosed herein, no cash compensation was paid to any director of the Company for the director's services as a director during the financial year ended December 31, 2017, other than the reimbursement of out-of-pocket expenses. The Company has no standard arrangement pursuant to which directors are compensated by the Company for their services in their capacity as directors except, as described below.

The objective of the Company's compensation program is to compensate the executive officers for their services to the Company at a level that is both in line with the Company's fiscal resources and competitive with companies at a similar stage of development.

The Company compensates its executive officers based on their skill and experience levels and the existing stage of development of the Company. Executive officers are rewarded on the basis of the skill and level of responsibility involved in their position, the individual's experience and qualifications, the Company's resources, industry practice, and regulatory guidelines regarding executive compensation levels.

The Board has implemented three levels of compensation to align the interests of the executive officers with those of the shareholders. First, executive officers may be paid a monthly consulting fee or salary. Second, the Board may award executive officers long term incentives in the form of stock options. Finally, and only in special circumstances, the Board may award cash or share bonuses for exceptional performance that results in a significant increase in shareholder value. The Company does not provide medical, dental, pension or other benefits to the executive officers.

The base compensation of the executive officers is reviewed and set annually by the Board. The CEO has substantial input in setting annual compensation levels. The CEO is directly responsible for the financial resources and operations of the Company. In addition, the CEO and Board from time to time determine the stock option grants to be made pursuant to the Company's Plan. Previous grants of stock options are taken into account when considering new grants. The Board awards bonuses at its sole discretion. The Board does not have pre-existing performance criteria or objectives.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company's financial resources and prospects.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The following table sets out information as of the end of the Company's most recently completed financial year with respect to compensation plans under which equity securities of the Company are authorized for issuance.

Equity compensation plans not approved by security holders	N/A	N/A	N/A
Total:	3,326,056	13.56p	794,390

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

Since the beginning of the most recently completed financial year, none of the directors, executive officers, employees, proposed nominees for election as directors or their associates have been indebted to the Company.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed herein or above, no informed person (a director, officer or holder of 10% or more of the Ordinary Shares) or nominee for election as a director of the Company or any associate or affiliate of any informed person or proposed director had any interest in any transaction since the commencement of the Company's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries.

Southern Arc Minerals Inc. ("**Southern Arc**"), a 10% shareholder of the Company, and Dr. Michael Andrews, a director of the Company, have agreed to accept units of the Company in consideration for the aggregate C\$1,012,500 which they have advanced to Tethyan. The units of the Company will have the same terms as the units issued in the Company's private placement that closed on April 20, 2018. Each unit consists of one ordinary share and one-half of one transferable share purchase warrant of the Company. Each whole warrant is exercisable into one ordinary share of the Company at an exercise price of \$0.35 per share for a period of three years from the date of issuance. The issuance of 1,600,000 units to Southern Arc and the issuance of 2,450,000 units to Dr. Andrews is conditional upon the completion of the Company's acquisition of Taor D.O.O, as described in the Company's information circular dated April 19, 2018. The unit issuance to Southern Arc and Dr. Andrews would be considered a related party transaction pursuant to Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transaction* ("**MI 61-101**"). The Company determined that exemptions from the formal valuation and minority shareholder approval requirements of MI 61-101 were available for the related party transaction pursuant to Section 5.5(a) and Section 5.7(1)(a) of MI 61-101 on the basis that the fair market value of the transaction involving Southern Arc and Dr. Andrews is not more than 25% of the Company's market capitalization.

MANAGEMENT CONTRACTS

Management functions of the Company are not to any substantial degree performed by anyone other than by the directors or executive officers of the Company. See "Employment, consulting and management agreements" above.

STATEMENT OF CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and charged with the day to day management of the Company. The Canadian Securities Administrators ("**CSA**") have adopted National Policy 58-201 *Corporate Governance Guidelines*, which provides non prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("**NI 58-101**"), which prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The composition of the Board currently consists of four (4) members, Fabian Baker, John Proust, Michael Andrews and John Carlile. It is proposed that all four individuals will be nominated at the Meeting.

The Board consists of a majority of individuals who qualify as independent directors. For this purpose, a director is independent if he or she has no direct or indirect "material relationship" with the Company. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director's independent judgment. Of the proposed nominees, one director, Fabian Baker, CEO, is considered not independent.

Other Directorships

The following table sets forth the directors of the Company who are directors of other reporting issuers:

<i>Name</i>	<i>Name of other reporting issuer</i>
Fabian Baker	n/a
John Proust	Rise Gold Corp. Japan Gold Corp. Canada Energy Partners Inc. Q Investments Ltd. Southern Arc Minerals Inc. Pinedale Energy Limited TekModo Industries Inc.
Michael Andrews	Japan Gold Corp. Q Investments Ltd. Southern Arc Minerals Inc.
John Carlile	Japan Gold Corp. Southern Arc Minerals Inc.

Orientation and Continuing Education

Orientation of new members of the Board is conducted informally by Management and members of the Board. The Company has not adopted formal policies respecting continuing education for Board members.

Ethical Business Conduct

The Board has not adopted a formal code of business conduct and ethics. The Board is of the view that the fiduciary duties placed on individual directors by the Company's governing legislation and common law together with corporate statutory restrictions on an individual director's participation in Board decisions in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual general meeting. The Board takes in to account the number of directors required to carry out the Board's duties effectively and to maintain diversity of views and experience.

The Board has not established a nominating committee and this function is currently performed by the Board as a whole.

Compensation

The Board has not established a formal compensation committee. Rather, the independent Board members are responsible for reviewing and determining the adequacy and form of compensation paid to the Company's executives and key employees. The independent Board members evaluate the performance of the CEO and other senior management measured against the Company's business goals and industry compensation levels.

Board Committees

The Board has no committees other than the Audit Committee.

Assessments

The Board annually, and at such other times as it deems appropriate, reviews the performance and effectiveness of the Board, the directors and its committees to determine whether changes in size, personnel or responsibilities are warranted. To assist in its review, the Board conducts informal surveys of its directors and receives reports from each committee respecting its own effectiveness. As part of the assessments, the Board or the individual committee may review their respective mandate or charter and conduct reviews of applicable corporate policies.

AUDIT COMMITTEE

Audit Committee Disclosure

Pursuant to National Instrument 52-110 of the CSA (“**NI 52-110**”), the Company is required to have an audit committee comprised of not less than three directors, a majority of whom are not officers, control persons or employees of the Company or an affiliate of the Company. The Committee is also mandated to review and approve all material related party transactions.

Each member of the Committee is considered to be financially literate, as defined by NI 52-110, in that he has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company’s financial statements.

Sections 6.1.1(4) to 6.1.1(6) relate to the composition of the Committee.
